Family Perspectives

When Jesus was transfigured, the apostles saw Him as they had never seen Him before and they were frightened. When we experience change in a person we love, we frequently resist it because it often means we must change our way of relating to that person. Take a closer look at Jesus and your relationships. What changes do you need to make this Lent that will reflect the glory of God? Ask for grace to change.

If you haven't done so, please fill out a census card - they are located in the back of the church -- and put it in the basket, mail it in, send a scan in an email - whatever way you like, but please, send us your information!
