Cut It Out...........................................

Today, February 9th is World Marriage Day, which serves as an opportunity to focus on building a culture of life and love that supports marriage and family.

Love is always patient and kind; love is never jealous; love is not boastful or conceited, it is never rude and never seeks its own advantage, it does not take offense or store up grievances. Love does not rejoice at wrongdoing but finds its joy in the truth. It is always ready to make allowances, to trust, to hope and to endure whatever comes. Fill our hearts and this marriage with love, Amen.
