..... **Cut It Out**.....

True perseverance is never letting anything shake me,  
or tempt me into taking a different path.  
My faith in God is not dependent on feelings, fads, or  
the next bestselling author who has another option, or  
way of thinking.  
It's my challenge to rise above these changing and  
sometimes negative feelings, and find God's will in  
my circumstances. He will give me the ability to  
persevere through these challenges, however great or  
small.
