..... **Cut it out**.....

So what is our something, the common gift we share as Catholics? Certainly it is the gift held in common with all Christians: our Gospels, our Lord, our one faith, baptism, and communion. But for Catholics it is more.

The "catholic" dimension is holistic, organic, and integral. We come from a people whose encounter with Jesus Christ is inclusive and capacious.

He may speak different tongues to us, but the same truth. He shines in different gifts, but as one giver. He is our one body, our unity, but he thrives through different members.
