Cut It Out.....

Baptized people mean to come here to the table every Sunday hungry: hungry to be with one another, hungry to hear the word of God, hungry for the great thanksgiving and hungry for the holy Communion.

In our place and time, it would be absurd to think of fasting as only about food. We are all wooed by hour by hour to indulge, to take our eyes off the needs and beauty of the world and instead to stuff ourselves like good consumers. We need Lent's fasting discipline in many areas of our life.
